

A Practical Guide to Happiness for Children and Teens on the Autism Spectrum

Every parent wants their child to be happy. But for parents of children with autism spectrum disorder (ASD), this can be a particularly challenging goal. Children on the autism spectrum often have difficulty with social interactions, communication, and sensory processing. This can lead to feelings of isolation, anxiety, and depression.

The good news is that there are things that parents can do to help their children with ASD achieve happiness. A Practical Guide to Happiness for Children and Teens on the Autism Spectrum provides parents with the tools they need to help their children overcome the challenges of ASD and live happy, fulfilling lives.
