In 1835, Achenbach traveled to Italy, where he was inspired by the work of the Italian landscape painters. He also spent time in France, where he

studied the work of the Barbizon School painters. These experiences had a profound influence on Achenbach's work, and he began to paint landscapes that were more realistic and atmospheric.

Mature work

Achenbach's mature work is characterized by its detailed realism and its atmospheric effects. He often painted landscapes that featured dramatic skies and seascapes. His paintings are often praised for their beauty and their sense of realism.

Achenbach was a prolific artist, and he produced over 1,000 paintings during his lifetime. His work can be found in museums and galleries around the world, including the Metropolitan Museum of Art in New York City, the National Gallery in London, and the Louvre Museum in Paris.

Legacy

Andreas Achenbach is considered one of the most important German realist painters of the 19th century. His work had a profound influence on the development of landscape painting in Germany, and his paintings continue to be admired by art lovers around the world.

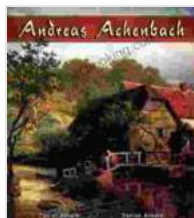

This book

This book presents a comprehensive overview of Achenbach's career, from his early years as a student to his later years as a successful artist. The book includes over 100 full-color reproductions of Achenbach's paintings, as well as essays by leading art historians.
