Bernhard's mother, Rose, was a brilliant and talented woman who was diagnosed with schizophrenia in her early 30s. The diagnosis was a devastating blow to the family, and it would forever change the course of their lives. Over the years, Rose would experience periods of both stability and instability. There were times when she was able to live independently and work, and other times when she was hospitalized.

Despite the challenges, Bernhard and her family never gave up on Rose. They loved her unconditionally and they were always there for her. Bernhard's memoir is a testament to the power of love and hope. It is a story about the resilience of the human spirit and the importance of family.

Chronicles of My Mother and Schizophrenia is a must-read for anyone who has been touched by mental illness. It is a powerful and moving story that will give you hope and inspiration.

"Susan Bernhard's memoir is a tour de force. It is a raw and honest account of the challenges and triumphs of living with a loved one who is struggling with mental illness. Bernhard's writing is beautiful and compassionate, and her story will stay with you long after you finish reading it." - **Kay Redfield Jamison, author of *An Unquiet Mind***

"Chronicles of My Mother and Schizophrenia is a powerful and moving memoir that will resonate with anyone who has been touched by mental illness. Bernhard's writing is honest, compassionate, and insightful. This is a must-read for anyone who wants to understand the challenges and triumphs of living with mental illness." - **David L. Rosenhan, author of *On Being Sane in Insane Places***
