Côte d'Ivoire is a country in West Africa with a rich culture, diverse landscape, and a fascinating history. It is a country that is often overlooked by tourists, but those who do visit are often surprised by its beauty and charm.

In *Country Jumper: My Time in Côte d'Ivoire*, author Sarah Thomas shares her personal experiences of living and working in Côte d'Ivoire. Sarah is a British woman who moved to Côte d'Ivoire in 2010 to work as a teacher. She spent two years living in the country, and during that time she traveled extensively, met a variety of people, and learned a great deal about Ivorian culture and history.

*Country Jumper* is a beautifully written and engaging book that provides a unique perspective on Côte d'Ivoire. Sarah's writing is clear, concise, and humorous, and she has a gift for capturing the essence of the people and places she encounters. The book is full of vivid descriptions of Ivorian life, from the bustling streets of Abidjan to the tranquil villages of the countryside.

*Country Jumper* is more than just a travelogue. It is also a meditation on the nature of identity, culture, and belonging. Sarah writes about her own

experiences as an outsider in Côte d'Ivoire, and she explores the challenges and rewards of living in a foreign country. The book is a timely and important contribution to the literature on cross-cultural understanding.

If you are interested in learning more about Côte d'Ivoire, or if you are simply looking for a good read, I highly recommend *Country Jumper: My Time in Côte d'Ivoire*. It is a book that will stay with you long after you finish reading it.
