Hispanic Stars Rising: The New Face of Power is a groundbreaking book that tells the stories of the rising stars in the Hispanic community. These are the leaders, innovators, and activists who are shaping the future of the United States.

The book is divided into three sections. The first section introduces the rising stars and their backgrounds. The second section examines the challenges and opportunities facing the Hispanic community. The third section offers insights into the future of the Hispanic community and the United States.

The rising stars profiled in the book include:

- Alexandria Ocasio-Cortez, a Democratic representative from New York

- Julián Castro, a former Democratic presidential candidate and former mayor of San Antonio
- Sony Lechuga, a DREAMer and activist
- Monica Ramirez, a labor leader and activist
- José Andrés, a chef and humanitarian

These rising stars are just a few examples of the many talented and dedicated individuals who are working to make a difference in the Hispanic community and the United States. Their stories are inspiring and their work is essential to building a more just and equitable future for all.

Hispanic Stars Rising: The New Face of Power is a must-read for anyone who wants to understand the future of the Hispanic community and the United States. The book is a powerful testament to the strength, resilience, and determination of the Hispanic people.
