Here are just a few of the features that make the D2v3 the best gaming console on the market:

- **4K gaming:** Experience your games in stunning 4K resolution, with HDR support for even more vibrant and realistic visuals.
- **120fps gameplay:** Enjoy smooth and responsive gameplay with up to 120 frames per second, giving you a competitive edge in online multiplayer.

- **Ray tracing:** Get the most realistic lighting and shadows in your games thanks to ray tracing technology, which simulates the way light behaves in the real world.
- **Solid-state drive (SSD):** Load games and levels almost instantly with the built-in SSD, eliminating load times and getting you into the action faster.
- **Customizable controller:** Tailor the D2v3 controller to your liking with interchangeable thumbsticks, d-pad, and buttons, so you can find the perfect fit for your hands and playstyle.
