

Sixty Years of the World's Best Golf Writing: From Hogan to Tiger

Golf is a game that has been played for centuries, and over the years, some of the world's greatest writers have captured the essence of the game in their words. From the legendary Ben Hogan to the modern-day superstar Tiger Woods, these writers have provided us with insights into the game, its players, and its history.

In this book, we have collected some of the best golf writing from the past sixty years. These essays, articles, and stories offer a unique perspective on the game, and they are sure to entertain and inform any golf fan.

The Golden Age of Golf Writing

The 1950s and 1960s were a golden age for golf writing. During this time, some of the game's greatest players, including Ben Hogan, Sam Snead, and Arnold Palmer, were at the height of their powers. And a new generation of golf writers, including Herbert Warren Wind, Dan Jenkins, and Jim Murray, were chronicling their every move.

Jenkins at the Majors: Sixty Years of the World's Best Golf Writing, from Hogan to Tiger by Dan Jenkins

These writers had a deep understanding of the game, and they were able to capture the excitement and drama of tournament golf in their writing. They also had a gift for storytelling, and their essays and articles are filled with colorful characters and memorable anecdotes.

The Modern Era of Golf Writing

In the modern era, golf writing has continued to evolve. Today's writers are just as knowledgeable about the game as their predecessors, but they also bring a fresh perspective to the table. They are more willing to experiment with new styles and formats, and they are not afraid to tackle controversial topics.

Some of the best golf writers of the modern era include John Feinstein, Rick Reilly, and Michael Bamberger. These writers have a knack for finding the human stories behind the game, and they are able to write about golf in a way that is both informative and entertaining.
