

# Teddy Roosevelt Was Moose Wait What

## A Bear of a Book About a Bull Moose of a President

Theodore Roosevelt was a larger-than-life figure who left an indelible mark on American history. He was a war hero, a conservationist, a trust buster, and a progressive reformer. He was also a prolific writer, and his books and speeches are still widely read today.

In his book *Teddy Roosevelt Was Moose Wait What*, author Edmund Morris tells the story of Roosevelt's life and career in a lively and engaging way. Morris draws on a wealth of primary sources, including Roosevelt's own letters, diaries, and speeches, to create a vivid portrait of the man and his times.

## Teddy Roosevelt Was a Moose? (Wait! What?)

The book begins with Roosevelt's childhood in New York City. Roosevelt was a sickly child, but he overcame his physical challenges to become a strong and athletic young man. He attended Harvard College and Columbia

Law School, but he soon realized that he was more interested in politics than in law.

Roosevelt entered politics in the early 1880s, and he quickly rose through the ranks. He served as a member of the New York State Assembly, as a police commissioner in New York City, and as governor of New York. In 1901, he became president of the United States.

As president, Roosevelt pursued a progressive agenda. He broke up trusts, regulated railroads, and established national parks and forests. He also led the United States to victory in the Spanish-American War and negotiated the Panama Canal Treaty.

Roosevelt left office in 1909, but he remained active in public life. He founded the Progressive Party and ran for president again in 1912. Although he lost the election, he continued to speak out on behalf of his progressive ideals.

Roosevelt died in 1919 at the age of 60. He is remembered as one of America's greatest presidents, and his legacy continues to inspire people today.

### ***A Review of Teddy Roosevelt Was Moose Wait What***

Edmund Morris's book *Teddy Roosevelt Was Moose Wait What* is a must-read for anyone interested in American history. Morris tells the story of Roosevelt's life and career in a lively and engaging way, and he draws on a wealth of primary sources to create a vivid portrait of the man and his times.

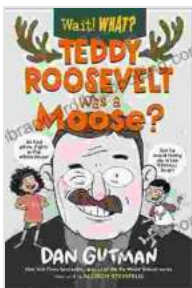

Morris's book is particularly strong in its portrayal of Roosevelt's personality. Roosevelt was a complex and contradictory figure, and Morris does not shy away from his flaws. He shows us Roosevelt's ambition, his impulsiveness, and his occasional arrogance. But he also shows us Roosevelt's courage, his compassion, and his love of country.

Morris's book is also a valuable contribution to our understanding of American history. Roosevelt was a pivotal figure in the Progressive Era, and his presidency marked a watershed moment in American politics. Morris's book helps us to understand the forces that shaped Roosevelt's presidency and the impact that he had on American society.

Overall, *Teddy Roosevelt Was Moose Wait What* is a superb biography of one of America's most fascinating presidents. Morris's lively writing style and his deep research make this book a pleasure to read and a valuable resource for anyone interested in American history.
