Sullivan and Hardy argue that the key to success is not to focus on your weaknesses, but on your strengths. They call this the "gain" mindset. When you focus on your strengths, you are more likely to take action and achieve your goals.

The Gap and the Gain is full of practical advice that can help you achieve success in all areas of your life. Whether you want to lose weight, start a business, or improve your relationships, this book can help you get there.

Here are just a few of the things you will learn in The Gap and the Gain:

- How to identify your strengths and weaknesses
- How to set goals that are both challenging and achievable
- How to overcome obstacles and stay motivated
- How to create a plan for success
- How to measure your progress and make adjustments as needed

The Gap and the Gain is a must-read for anyone who wants to achieve success. It is a practical, actionable guide that can help you bridge the gap between where you are and where you want to be.
