

# The Lost Masters: Grace and Disgrace in '68

In the tumultuous year of 1968, the world witnessed some of the most dramatic events in history. The Vietnam War raged on, the civil rights movement reached its peak, and the assassinations of Martin Luther King Jr. and Robert F. Kennedy sent shockwaves through the nation.

But amidst the chaos and upheaval, there were also stories of hope and redemption. The Lost Masters: Grace and Disgrace in '68 tells the stories of six forgotten heroes of the civil rights movement. These men and women risked their lives to fight for justice, but their stories have been largely ignored by history.

This book brings their stories to light, and it is a powerful reminder of the power of courage and conviction. The Lost Masters is a must-read for anyone interested in the civil rights movement, American history, or the human spirit.

## The Six Lost Masters

The six Lost Masters are:

- **John Lewis:** A civil rights leader who played a key role in the March on Washington and the Voting Rights Act of 1965.
- **Diane Nash:** A civil rights activist who helped organize the Freedom Rides and the Student Nonviolent Coordinating Committee (SNCC).
- **James Forman:** A civil rights activist who founded the Black Panther Party.
- **Stokely Carmichael:** A civil rights activist who led the Black Power movement.
- **Andrew Young:** A civil rights activist who served as mayor of Atlanta and the United States ambassador to the United Nations.
- **Julian Bond:** A civil rights activist who served in the Georgia State Senate and the United States House of Representatives.

These six individuals were all instrumental in the fight for civil rights, but their stories have been largely forgotten. The Lost Masters brings their stories to light, and it is a powerful reminder of the power of courage and conviction.

## Grace and Disgrace

The Lost Masters is a story of both grace and disgrace. The six individuals profiled in the book were all flawed human beings. They made mistakes, and they sometimes failed to live up to their own ideals. But they also achieved great things, and they left a lasting legacy of hope and inspiration.

The book's title, *The Lost Masters*, refers to the fact that these six individuals have been largely forgotten by history. But the book also argues that they are masters in the truest sense of the word. They were masters of their own destiny, and they used their power to make the world a better place.

*The Lost Masters* is a powerful and inspiring book. It is a reminder of the power of courage and conviction, and it is a testament to the human spirit.

## Call to Action

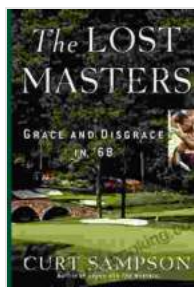

I urge you to read *The Lost Masters: Grace and Disgrace in '68*. It is a book that will stay with you long after you finish it. It is a book that will inspire you to make a difference in the world.
