

The Twenty-Five Year Crack-Up of the Republican Party

The Republican Party has been in a state of decline for the past twenty-five years. Once the party of Lincoln, Eisenhower, and Reagan, the GOP is now a party of Donald Trump, Marjorie Taylor Greene, and Lauren Boebert. How

did this happen? And what does it mean for the future of American democracy?

In his new book, *The Twenty-Five Year Crack-Up of the Republican Party*, Lee Drutman argues that the Republican Party has been on a downward spiral since the early 1990s. Drutman identifies a number of factors that have contributed to the GOP's decline, including:

- The rise of the Religious Right
- The increasing polarization of American politics
- The decline of the Republican Party's commitment to fiscal responsibility
- The rise of Donald Trump

Drutman argues that the Republican Party is now at a crossroads. The party can either continue down the path of authoritarianism and populism, or it can return to its roots as a party of limited government and fiscal

responsibility. Drutman believes that the future of American democracy depends on the Republican Party making the right choice.

The Twenty-Five Year Crack-Up of the Republican Party is a timely and essential book. Drutman provides a clear and concise analysis of the factors that have led to the Republican Party's decline. He also offers a way forward for the party. If the Republican Party is to survive, it must return to its roots as a party of limited government and fiscal responsibility.
