That's the message of *Things Could Be Worse*, a new book by author and speaker Arthur Brooks. Brooks has spent years studying happiness and resilience, and he has found that one of the most important things we can do to improve our well-being is to focus on the things that are going well in our lives.

In *Things Could Be Worse*, Brooks shares stories of people who have overcome incredible adversity, and he offers practical tips on how we can

all develop a more positive outlook on life. He shows us how to:

- Identify the things we're grateful for
- Focus on the present moment
- Learn from our mistakes
- Build strong relationships
- Find meaning and purpose in our lives

Things Could Be Worse is a must-read for anyone who wants to live a happier, more fulfilling life. It's a book that will help you see the silver lining in any situation, and it will give you the tools you need to overcome adversity and achieve your goals.

What Others Are Saying About *Things Could Be Worse*

"*Things Could Be Worse* is a powerful and inspiring book that will help you see the good in any situation. Arthur Brooks is a master storyteller, and his insights on happiness and resilience are invaluable." —**Gretchen Rubin, author of *The Happiness Project***

"This book is a game-changer. It will help you see the world in a new light, and it will give you the tools you need to live a happier, more fulfilling life." —**Shawn Achor, author of *The Happiness Advantage***
