Whitaker's journey began with a promising career in journalism. He was a rising star at CBS News, covering major stories like the Watergate scandal and the Iran hostage crisis. But behind the scenes, Whitaker was battling a secret addiction to alcohol.

Whitaker's drinking began as a way to cope with the stress of his job. But over time, his drinking spiraled out of control. He began missing work, alienating his friends and family, and putting his career in jeopardy.

In 1985, Whitaker reached his breaking point. He was arrested for drunk driving and charged with a DUI. It was a wake-up call for Whitaker, and he finally decided to get help.

Whitaker entered rehab and began the long process of recovery. It was a difficult journey, but Whitaker was determined to get sober. He attended Alcoholics Anonymous meetings, saw a therapist, and leaned on the support of his family and friends.

Today, Whitaker is a sober and successful journalist. He has returned to CBS News and has won numerous awards for his work. He is also a sought-after speaker on the topic of addiction and recovery.

In Tonight At 10, Whitaker shares his story with candor and humor. He talks about the struggles he faced in recovery, the lessons he learned, and the hope he offers to others who are struggling with addiction.

Tonight At 10 is a powerful and inspiring story of addiction and recovery. It is a must-read for anyone who is struggling with alcohol abuse, or for anyone who knows someone who is.
