Step into the bustling streets of Naruhata, a city teeming with Quirked individuals and lurking dangers. Amidst the aspiring heroes, there exists a clandestine group of vigilantes, outcasts who operate in the shadows, pushing the boundaries of what it means to be a protector.

Introducing Koichi Haimawari, the timid yet resolute protagonist whose Quirk allows him to absorb the impact of any attack. Nicknamed Crawler, he yearns to emulate his idol, All Might, but his meek nature and lack of combat prowess hold him back.

Fate takes a dramatic turn when Koichi crosses paths with the enigmatic Kazuho Haneyama, a skilled vigilante known as Ingenium. Recognizing

Koichi's potential, Ingenium becomes his mentor, guiding him on a path where the line between hero and vigilante blurs.

As Koichi's resolve grows, so does the danger. The rise of the villainous Spinner, a master of camouflage and deception, threatens to plunge Naruhata into chaos. With the odds stacked against them, Koichi, Ingenium, and a colorful cast of fellow vigilantes must confront their own motivations and redefine the very essence of heroism.

wisdom of Ingenium, each vigilante brings their own unique perspective and skills to the table.

There's Pop Step, a bubbly hero whose Quirk allows her to create and manipulate soda; Knuckleduster, a veteran vigilante haunted by his past; and Aizawa, a former hero whose Quirk grants him the ability to negate other Quirks.

Together, this unlikely alliance forms an unbreakable bond, fighting for justice even when society turns its back on them.

A Captivating Chronicle of Conflict and Redemption
